VARIOUS SOLUTIONS FOR DIFFERENT BUSINESS NEEDS

Four split screens can be combined into one image on this multi-monitor, with the **multi-monitor setting app.**

HOTELS
Big-screen clarity for the convenience of guests

Keep guests well-informed throughout the hotel area with the latest news and updates, with Sharp's large screen, brilliant monitor.
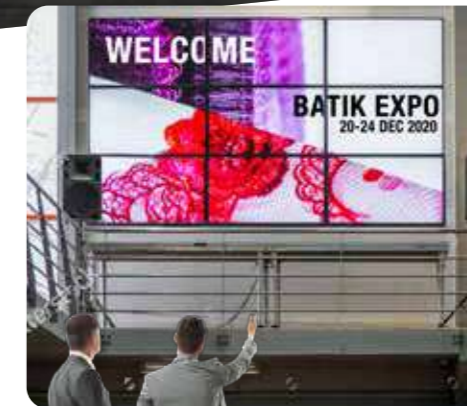

EVENTS
Maximise your engagement with patrons

Ensure your events are a success with large monitors that showcase content in an exciting way.

EDUCATION
Large screens provide greater details for ease of teaching

Capture the attention of students with large screens that present information in an easily-understood, interesting manner.

MALLS & RETAIL SHOPS
Large screens attract and hold the attention of shoppers

Sharp's high-quality screens will help you grab the attention of shoppers and delight them with attractive product information.

BUSINESSES
Improve employee engagement and interaction

Enhance communication with your employees with large screens that make meetings and info-sharing more engaging.

GOVERNMENT AGENCIES
Large screens make it easier to provide vital information to the public

Sharp's brilliant, big screens enable important information to be conveyed to the public in an effective, eye-catching way.

EASY SET-UP
FOR MAXIMUM EXPOSURE

AMAZE YOUR CLIENTS WITH THE EXTRA-LARGE, BRILLIANT DISPLAY WITH A PORTABLE STAND

Set up Sharp's large monitor with ease, at your events and meetings. The angle of the monitor can be adjusted quickly and easily according to your preference, for maximum exposure.

EASY CONVENIENCE WITH USB CLONING

Main Screen

Cloned Screen

Cloned Screen

Cloned Screen

Cloned Screen

Just set up Sharp's Big-Screen Monitor once, and save to your USB. You can then set up as many large screens as you like by simply plugging in the USB. There is no need to set up the monitors one by one using the remote control.

CONVENIENT TOOLS FOR BUSINESS USE

USB LOCKING WIRE PREVENTS USB THEFT

A USB locking wire ensures that your device stays in place and will not be accidentally dislodged.
Importantly, it prevents USB theft.

USB locking wire prevents USB theft

5pcs

PREVENT HDMI DISCONNECTION

Ensure no interruption to your video and audio signals for a smooth and continuous picture display and sound output. A HDMI locking clamp prevents HDMI disconnection.
