

PO6-48T

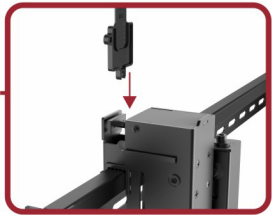

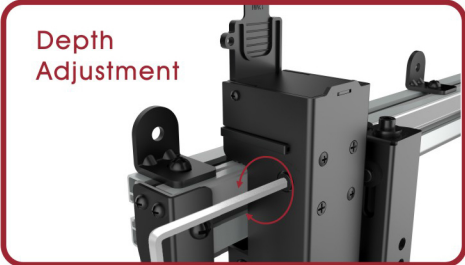

Video Wall Mounting System

Quick-release Latch easily activates lock & unlock mode to secure displays in place firmly.

Multi-dimensional Micro Adjustment enables precision alignment of the video wall configuration including depth, height and tilt.

Pop-out Lock System ensures safety use by reducing the possibility of accidental pop-outs via the additional plastic plug-in pieces.

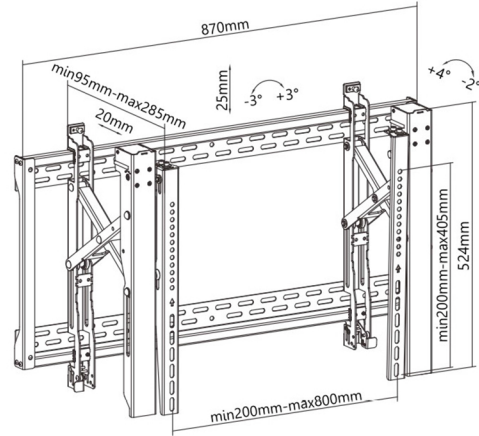

Pop-out Extension easily pulls out for installation and maintenance.

Anti-theft Design offers an additional insurance against theft. (a padlock required)
